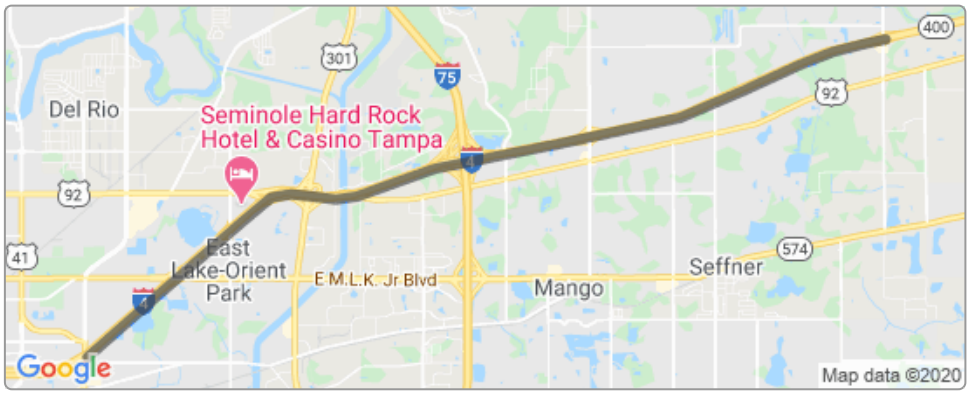
Length	11 miles
City	Dover Seffner Tampa
County	Hillsborough
Road	I-4
Construction Cost	$27.3 million
Estimated Completion	Summer 2020
Contractor	Ajax Paving Industries of Florida LLC



About

As of August 27, 2020, this project was accepted by the Florida Department of Transportation as "completed."

This project repaved I-4 between 50th Street and McIntosh Road in Hillsborough County.

The project was combined with design project 430335-1 to be built as a single construction project. This portion of the project lengthened the I-75 ramps going onto eastbound I-4 to allow drivers more time and space to merge into the mainline travel lanes.

The majority of work on this project was done during overnight hours - lane closures were scheduled between 8:30 p.m. and 5 a.m. for asphalt removal and paving.
