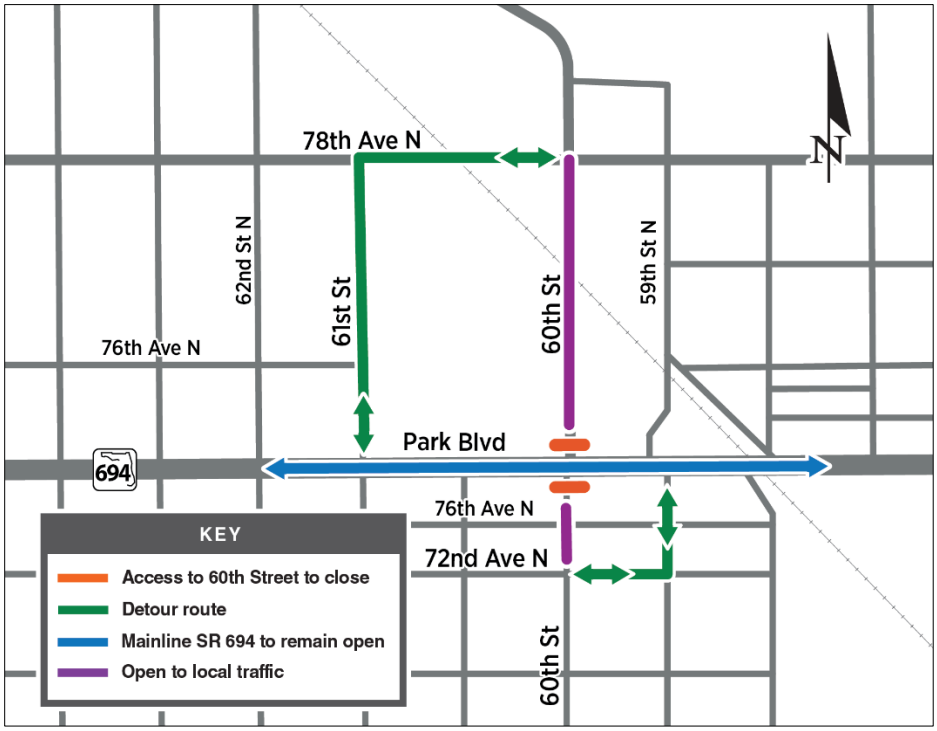
60th Street Access from Park Blvd Closing



Pinellas Park, FL –Starting Monday, November 16, to Friday, November 20, access to northbound and southbound 60th Street will be closed from SR 694 (Park Boulevard) from 8 a.m. to 5 p.m., weather permitting. During the temporary closure, drivers will be directed around the work zone using the flowing detour routes:

Northbound 60th Access
Motorists that need to access northbound 60th Street will be detoured around the work zone using 61st Street and 78th Avenue N.

Southbound 60th Access
Motorists that need to access southbound 60th Street will be detoured around the work zone using 72 Avenue N and 59th Street N.

The mission of the Florida Department of Transportation is to provide a safe statewide transportation system that promotes the efficient movement of people and goods, supports the state's economic competitiveness, prioritizes Florida's environment and natural resources, and preserves the quality of life and connectedness of the state's communities.

Eastbound and westbound mainline SR 694 (Park Boulevard) will remain open.

Advanced warning signs and electronic message boards will assist motorists traveling through the area. Drivers should use caution while traveling through the work zone and remain alert for construction workers.

These temporary road closures are needed to install a new traffic signal on SR 694 at 60th Street in Pinellas County.

For more information on this project or to sign up to receive construction updates and traffic alerts, please visit FDOTTampaBay.com
