About

This project along Curlew Road (SR 586) in Pinellas County will preserve and extend the life of the existing pavement and provide safety modifications. This includes new pedestrian signals, lighting, and crosswalks at Pinellas CR 1 and Belcher Road, as well as new sidewalk on the southside of Curlew Road from Birdie Lane to Cardinal Road.

The existing storm sewer pipe within the project limits will also be replaced with concrete pipe.

This project is currently in the design phase. Construction is scheduled to begin in 2025.
