<b>City</b>	Sun City Center
<b>County</b>	Hillsborough
<b>Road</b>	SR 674 Sun City Center Boulevard
<b>Construction Cost</b>	\$11.2 million
<b>Estimated Completion</b>	Early 2021
<b>Contractor</b>	Russell Engineering, Inc.

### About

The Florida Department of Transportation's contractor, Russell Engineering, Inc. will resurface SR 674 (Sun City Center Blvd) between Commercial Center Drive and US 301 in Sun City Center.

Additional improvements include adding and extending turn lanes throughout this corridor and adding a five-foot sidewalk along the north side of the roadway.

Active construction activities:

- Underground utility work is being performed on behalf of Hillsborough County along the north side of Sun City Center Boulevard at W. Del Webb Boulevard, and at South Bay Hospital.
- Earthwork is ongoing for construction of new sidewalk and turn-lane extension on the north side of Sun City Center Boulevard, at multiple locations.
- New Lighting and Signalization is being installed at multiple locations.

This \$11.2 million project is anticipated to finish in early 2021.
