About

RECEIVED FINAL ACCEPTANCE ON SEPT. 10, 2019

This project will repave US 98 (Ponce De Leon Boulevard) between Broad Street and Ward Avenue in Hernando County.

In addition, sidewalks will also be added as part of this repaving project.

Construction activities and lane closures will occur during daytime and nighttime hours. Access to driveways and side streets will be maintained.

This project is expected to finish in the fall of 2019, weather permitting.
