### About

#### **PARTIALLY ACCEPTED ON TUESDAY, MAY 14, 2019.**

This design-build project is modifying the medians at SR 50 (Cortez Boulevard) and Fort Dade Avenue in Hernando County.

Improvements include:

- rebuilding the median opening at SR 50 (Cortez Boulevard) at Fort Dade Avenue to allow only eastbound and westbound left-turns
- repaving the southbound right-turn lane for future use as a right-turn-only lane
- adding sidewalks to the northwest corner of the intersection and connecting to the existing sidewalk

Motorists should expect lane closures to occur nightly from 7 p.m. to 6 a.m.

The \$820,214.00 project is expected to finish in the spring of 2019.
