Limits	I-75 at Big Bend Road and Big Bend Road between Covington Garden Dr. and Simmons Loop
City	Riverview
County	Hillsborough
Road	Big Bend Road I-75

About

Due to the rapid growth in the South county area, the Department of Transportation has partnered with Hillsborough County to look for longer term solutions to address the traffic congestion in the area of the Interstate 75 interchange at Big Bend Road.

This study will look at designs that will help to reduce congestion, enhance capacity and safety on Interstate 75 and on Big Bend Road.

A public hearing regarding the proposed changes is anticipated to be held in the fall of 2019.
