Study Manager	Brian L Shroyer 813-975-6449 Brian.Shroyer@dot.state.fl.us
Media Contact	Kris Carson 813-975-6060 Kristen.Carson@dot.state.fl.us

About

The limits of the study extend along SR 580 (East Busch Boulevard) from US 41 (Nebraska Avenue) to SR 583 (56th Street), a distance of approximately 3.5 miles in Hillsborough County.

This Florida Department of Transportation (FDOT) study examined the feasibility of reducing the number of lanes on East Busch Boulevard ("road diet") in addition to studying potential bicycle and pedestrian safety improvements.
