

Railroad Dynamic Envelope Striping in Hillsborough County (multiple locations) 447027-6-52-01

Project Details		About
Work Type	Striping	<p><u>FINAL ACCEPTED ON APRIL 1, 2021</u></p> <p>This project will install Dynamic Envelopes at multiple railroad crossings in Hillsborough County.</p> <p>The crossings include:</p> <ul style="list-style-type: none"> • Nebraska Avenue (US 41) • 50th Street (US 41) - two locations • Kennedy Boulevard (SR 60) - two locations • Jackson Street (SR 60) • Adamo Drive (SR 60) - two locations • 39th Street (SR569) - two locations • 22nd Street (US41B). <p>Dynamic envelopes are roadway markings used to increase safe stopping behavior and safety for both vehicular and pedestrian traffic at grade rail crossings. These markings indicate the clearance needed for trains to safely pass.</p> <p>By keeping vehicles outside of the dynamic envelopes, fewer vehicles will be stopped too close to or actually on the tracks, thereby reducing the danger to vehicles, occupants, train crews, passengers and bystanders.</p> <p>The goal is to positively influence driver behavior and reduce the number of incidents and injuries sustained at rail crossings.</p> <p>The project began in January of 2021 and is expected to finish in the spring 2021.</p>
Phase	Completed	
Project Start	January 2021	
City	Tampa	
County	Hillsborough	
Road	39th St 50th St Adamo Dr Jackson St Kennedy Blvd Nebraska Ave (Hillsborough) SR 60 US 41 US 41 Business	
Construction Cost	\$133,000	
Estimated Completion	Spring 2021	
Contractor	AKCA, LLC
