New Traffic Signals: Florida Avenue at Idlewild Avenue and Knollwood Street

Tampa, FL - New traffic signals and pedestrian crossings have been energized and are now operational along Florida Avenue (US 41) at Idlewild Avenue and Knollwood Street in Tampa.

Drivers should remain alert to the changed traffic conditions as motorists and pedestrians get used to the new signalized intersections.

The \$1.5 million intersection safety improvement project began last March and is on schedule to finish this fall.

For more information on this project or to sign-up to receive traffic alerts, please visit: FDOTTampabay.com
