About

The Water Works Sidewalk Gap project will enhance multi-modal connectivity by eliminating key sidewalk gaps within the Tampa Heights district along I-275 near Water Works Park.

A direct wide sidewalk connection from Doyle Carlton Drive to east of Tampa Street (adjacent to the barrier-separated I-275 exit ramp) and a pedestrian crossing at Doyle Carlton Pedestrian Drive south of I-275 will be added.

Construction is anticipated to begin in late 2024.
