

US 19 Pedestrian Safety Improvements in Pasco County 447522-1-52-01

Project Details	
Work Type	Mid-Block Pedestrian Crossings
Phase	Construction
Limits	At San Marco Drive/Johnson Road & between Elizabeth Avenue and Edna Avenue
Project Start	January 2025
City	Hudson
County	Pasco
Road	US 19
Construction Cost	\$2.2 million
Estimated Completion	Spring 2025
Contractor	Highway Safety Devices, Inc.

About

This project involves urban corridor improvements to enhance safety for all road users.

Improvements include the addition of two mid-block crosswalks:

1. at San Marco Drive/ Johnson Road
2. between Elizabeth Avenue and Edna Avenue

Midblock pedestrian signals (MPS) will be installed, along with refuge islands, curb ramp upgrades, and sidewalk connections. Roadway milling and resurfacing will take place as needed to replace pavement markings. The project will also include installation of raised medians/traffic separators in the pedestrian crossing areas. There will be signal work at the mid-block crossings and minor drainage work.

Construction is anticipated to begin in early 2025.
