About

This project includes rigid pavement rehabilitation for concrete pavement slabs of the existing roadway, shoulders and select I-75 ramps from Broadway Avenue to Fowler Avenue in Hillsborough County.

Lighting, signage, and pavement marking safety enhancements will also be included in this project.

Work requiring lane and ramp closures will occur at night between 10 p.m. and 5:30 a.m.

Motorists are reminded to use caution when traveling through the work zone and remain alert for construction workers.

Construction activities are estimated to finish during 2028.

This project is being constructed in conjunction with the **widening of I-75 from the Tampa Bypass Canal to Fowler Avenue (FPNs: 445317-1-52-01 and 445317-2-52-01).**
