About

As of September 2, 2026, all construction activities associated with this project have been completed.

The purpose of this project is to enhance mobility and safety by adding Rectangular Rapid Flashing Beacon (RRFB) mid-block crossings at the following locations:

- just south of Spring Street
- northside of San Salvador Drive
- southside of San Jose Drive
- just north of Mira Vista Drive
- just north of Duchess Boulevard

The northside of the Palm Boulevard signalized intersection will also be upgraded to include a pedestrian crossing. Median modifications and driveway modifications are also planned along Alt US 19 (Bayshore Boulevard) in Dunedin.

Construction is underway and expected to be complete in fall of 2026.
