About

This project is repaving South Dale Mabry Highway (US 92) from north of Ballast Point Boulevard to south of Sevilla Street in South Tampa.

Other improvements include:

- adding a directional raised median at Kensington Avenue
- adding a raised traffic separator along the left turn lane onto El Prado Boulevard
- adding a raised traffic separator along the median between Fair Oaks Avenue and Lawn Avenue

Construction activities are taking place during daytime and nighttime hours. Work requiring lane closures will occur nightly from 9 p.m. to 6 a.m.

Access to driveways, sidewalks, and side streets to be maintained. Motorists are reminded to use caution when traveling through the work zone and remain alert for pedestrians and construction workers.

This project is expected to finish during summer of 2026.
