**About**

This project will mill the existing asphalt pavement and resurface with concrete pavement along SR 39 from south of Rayburn Road to north of Golden Rule Lane in Plant City.

An additional crosswalk will be added across the southern leg of the intersection of SR 39 and Charlie Griffin Road as well as improved intersection lighting. Also included in the proposed improvements are sidewalk repairs and curb return improvements.

The project is currently in the design phase. Construction is anticipated to begin in Summer 2026.
