About

As of July 25, 2026, all construction activities associated with this project have been completed.

This construction project is addressing safety improvements with the construction of a new traffic signal on SR 574 (W Martin Luther King Jr Boulevard) at N 12th Street in Hillsborough County.

Elements of work shall include, but are not limited to, installation of the signal, roadway resurfacing, and sidewalk, pedestrian and lighting improvements.

Construction activities are underway and expected to be complete in summer 2026.

****

What is design-build? *Design-build is a method of project delivery in which one entity - the design-build team - works under a single contract with the FDOT (or any owner) to fully design and construct a project.* ***The contract work covers from initial design through construction completion.*** *This contract type typically allows for faster construction of a project as design and construction can be on-going simultaneously.*
