

SR 50 (Cortez Boulevard) Widening from west of Buck Hope Road to west of Jefferson Street 416735-1-52-01

Project Details	
Work Type	Widening
Phase	Design
Limits	From west of Buck Hope Road to west of Jefferson Street
Length	2.5 miles
City	Brooksville
County	Hernando
Road	Cortez Boulevard SR 50
Design Cost	\$2 million
ROW Cost	\$153,000

About

This project will widen SR 50 (Cortez Boulevard) from the existing four lanes to six lanes with medians from west of Buck Hope Road to west of Jefferson Street in Hernando County. Bike lanes and sidewalks will also be added.

The SR 50 intersections of Buck Hope Road, US 41 (Broad Street), Main Street / Mitchell Road and Emerson Road will be rebuilt in concrete.

The median opening at Hale Avenue / Hope Hill Road will be changed to restrict left turn movements.

Right of way will be required to build these improvements.

The project is currently in design. Construction is anticipated to begin in 2028.
