## About

This project is installing Intelligent Transportation System (ITS) components to support future connected vehicle infrastructure by installing roadside units along I-4 along Hillsborough, Polk, Osceola, and Orange counties in Florida.

Construction is expected to finish during late 2025.

This project is being constructed in conjunction with the recently completed **Project Number 445362-2-52-01**. For more information on that project, please **click here**.

\*Construction cost includes original construction contract amount plus approved contract changes. It does not include inspection oversite.
