About

[How to use a pedestrian mid-block crosswalk](#)

The Florida Department of Transportation's Design-Build Firm, Cone & Graham, Inc., is making pedestrian safety improvements on SR 679 (Pinellas Bayway) from 13th Street to Yacht Club Lane in Pinellas County.

Elements of work include a new mid-block pedestrian crosswalk at Yacht Club Lane and sidewalk modifications.

Construction activities are expected to be complete in early 2026.

What is design-build? *Design-build is a method of project delivery in which one entity - the design-build team - works under a single contract with the FDOT (or any owner) to fully design and construct a project. **The contract work covers from initial design through construction completion.** This contract type typically allows for faster construction of a project as design and construction can be on-going simultaneously.*
