About

As of October 17, 2026, all construction activities associated with this project have been completed.

Interchange improvements that were constructed with this project included the following:

- Re-striped the existing pavement to provide a 2-lane northbound I-75 exit ramp to SR 52.
- Provided a 2-lane ramp from westbound SR 52 to the southbound I-75 entrance ramp.
- Provided dual left turn lanes from eastbound SR 52 to the entrance ramp onto northbound I-75.
- Provided two receiving lanes on the northbound I-75 entrance ramp.
- Reconfigured the existing lanes on westbound SR 52 from Pasco Road to I-75 accordingly.
