About

As of April 13, 2026, all construction activities associated with this project have been completed.

The Florida Department of Transportation's Design-Build Firm, Cone & Graham, Inc., is making roadway improvements by extending the two left turn lanes on US 19 at Marine Parkway in Pasco County.

Construction activities are expected to complete summer 2026.

****

What is design-build? *Design-build is a method of project delivery in which one entity - the design-build team - works under a single contract with the FDOT (or any owner) to fully design and construct a project.* ***The contract work covers from initial design through construction completion.*** *This contract type typically allows for faster construction of a project as design and construction can be on-going simultaneously.*
