### About

#### Upcoming Public Hearing

In-Person: Attend the Public Hearing in-person Tuesday, March 25, 2025, 5:30 p.m. to 7:30 p.m. at the Land O' Lakes Recreation Complex, located at 3032 Collier Parkway, Land O' Lakes, FL 34639. Attendees will receive project information, review project displays, and have the opportunity to submit comments and speak with the project team.

Live Online: Register at <https://attendee.gotowebinar.com/register/7168940501975655259> to attend virtually on Tuesday, March 25, 2025, 5:30 p.m. to 7:30 p.m. and view the project video, followed by an opportunity for comments and questions with the project team.

The purpose of this study is to identify and evaluate various alternatives for the US 41 / SR 54 intersection which will improve the flow of people and goods through the project area by increasing roadway capacity and reducing traffic congestion. The study will compare the effects each alternative may have on the environment and the surrounding communities, as well as the traveling public.
