#### About

The Florida Department of Transportation's Design-Build Firm, Cone & Graham, Inc., is making safety improvements at various locations in Pasco County:

### SR 595 / ALT US 19

Location 1: SR 595 / ALT US 19 from Anclote Boulevard to north of Louis Avenue

# SR 55 (US 19)

Location 2: SR 55 (US 19) at Panorama Avenue

Location 3: SR 55 (US 19) at Lange Road Location 4: SR 55 (US 19) at Tahitian Circle Location 5: SR 55 (US 19) at Camry Drive

Elements of work include the installation of raised separators as well as repaving and shoulder widening.

Construction activities are expected to complete early 2026.

What is design-build? Design-build is a method of project delivery in which one entity - the design-build team - works under a single contract with the FDOT (or any owner) to fully design and construct a project. **The contract work covers from initial design through construction completion.** This contract type typically allows for faster construction of a project as design and construction can be on-going simultaneously.
