About

All construction activities associated with this project are complete as of December 22, 2025.

The Florida Department of Transportation's Design-Build Firm, Cone & Graham, Inc., made safety improvements at various locations in Pasco County:

SR 595 / ALT US 19
Location 1: SR 595 / ALT US 19 from Anclote Boulevard to north of Louis Avenue

SR 55 (US 19)
Location 2: SR 55 (US 19) at Panorama Avenue
Location 3: SR 55 (US 19) at Lange Road
Location 4: SR 55 (US 19) at Tahitian Circle
Location 5: SR 55 (US 19) at Camry Drive

Elements of work included the installation of raised separators as well as repaving and shoulder widening.

Construction activities are complete as of December 22, 2025.

****

What is design-build? *Design-build is a method of project delivery in which one entity - the design-build team - works under a single contract with the FDOT (or any owner) to fully design and construct a project.* ***The contract work covers from initial design through construction completion.*** *This contract type typically allows for faster construction of a project as design and construction can be on-going simultaneously.*
