About	
<p>The Florida Department of Transportation's Design-Build firm, Cone &amp; Graham, Inc., is making roadway lighting improvements to SR 694 (Gandy Boulevard) (Causeway Boulevard) from west of 94th Street to Derby Lane in Pinellas County.</p> <p>Safety improvements include retrofitting existing roadway lighting fixtures with LED luminaires.</p> <p>Construction activities are expected to be complete in early 2027.</p> <p>***** *****</p> <p>What is design-build? <i>Design-build is a method of project delivery in which one entity - the design-build team - works under a single contract with the FDOT (or any owner) to fully design and construct a project. The contract work covers from initial design through construction completion. This contract type typically allows for faster construction of a project as design and construction can be on-going simultaneously.</i></p>
