About

The Florida Department of Transportation is repairing the eastbound Gandy Boulevard (US 92) bridge over Old Tampa Bay in Hillsborough County.

Repairs will occur underneath the bridge and are not expected to affect traffic on Gandy Boulevard.

If lane closures are needed, they will occur nightly from 8 p.m. to 6 a.m.

Any impacts to navigable waterways will be coordinated with the United States Coast Guard.

The \$2.9 million project is estimated to finish in early 2027.
