About

The Florida Department of Transportation is performing repairs to the Gandy Boulevard (US 92) bridge westbound span over Old Tampa Bay in Hillsborough County.

Bridge repairs are not anticipated to impact vehicle traffic on westbound Gandy Boulevard (US 92).

If vehicle lane closures are necessary, they may occur nightly from 7 p.m. to 7 a.m.

Any impacts to navigable waterways will be coordinated with the United States Coast Guard.

The \$2.9 million project will begin fall of 2025 and finish during early 2027.
