<b>Media Contact</b>	Kris Carson 813-975-6060 Kristen.Carson@dot.state.fl.us
<p>The Florida Department of Transportation's Design-Build Firm, Cone &amp; Graham, Inc., is making operational and safety improvements to SR 44 (Main Street) from Pleasant Grove Road to Montgomery Avenue in Citrus County.</p> <p>***** *****</p> <p>What is design-build? <i>Design-build is a method of project delivery in which one entity - the design-build team - works under a single contract with the FDOT (or any owner) to fully design and construct a project. The contract work covers from initial design through construction completion. This contract type typically allows for faster construction of a project as design and construction can be on-going simultaneously.</i></p>
