US 92 (Dale Mabry Highway) Pavement Rehabilitation from north of Kennedy Boulevard to north of West South Avenue 451989-1-52-01

Project Details	
Work Type	Pavement Rehabilitation
Phase	Design
Limits	US 92/SR 600/Dale Mabry Hwy from north of Kennedy Boulevard to north of West South Avenue
Length	3.3 miles
City	Tampa
County	Hillsborough
Road	Dale Mabry Highway SR 600 US 92

About

The purpose of this project is to provide concrete rehabilitation along with milling and resurfacing to extend the service life along this section of US 92 in Hillsborough County. Other improvements include sidewalk repair/replacement, signing and pavement markings, signalization, lighting, ITS, ADA safety enhancements and access changes.

Construction is anticipated to begin late 2027.
