Project Details

Work Type	Milling and Resurfacing
Phase	Design
Limits	US 98 (SR 50A/E Jefferson Street) from west of Cortez Blvd to Ponce De Leon Blvd
Length	2.4 miles
City	Brooksville
County	Hernando
Road	Jefferson Street SR 50A US 98

About

The purpose of this project is to rehabilitate the existing pavement through milling and resurfacing along this section of US 98 in Hernando County.

In addition to resurfacing, the project also includes repairing existing sidewalks, ADA facility upgrades, minor drainage improvements, lighting improvements, upgrading signing and pavement markings, and signalization improvements.

Construction is currently anticipated to begin in Summer 2027.
