About

As of December 4, 2025, all construction activities associated with this project are complete.

This project involved milling and repaving approximately 300 feet of both the northbound and southbound travel lanes from north of Aberdeen Street to south of President Street in Pinellas County.

In addition, the existing temporary concrete patch within the project limits was removed and replaced as part of the roadway improvements.

Construction is complete as of December 4, 2025.
