

I-4 Widening from I-75 to west of Polk Parkway 456967-1-52-01

Project Details	
Work Type	Widening
Phase	Design
Limits	I-4 from I-75 to west of Polk Parkway
Length	17 miles
City	Dover Mango Plant City Seffner Tampa
County	Hillsborough
Road	I-4

About

This project will widen Interstate 4 (I-4) along the median to add one buffer-separated express lane in each direction. The I-4 bridges over McIntosh Road, Branch Forbes Road, Thonotosassa Road, Alexander Street, Paul Buckman Hwy/Wheeler Street, Park Road and Charlie Taylor Road will also be widened.

In addition to widening, the project also includes retaining walls, noise barriers and tolling equipment.

Other improvements include signing and pavement markings and Intelligent Transportation Systems (ITS).

Construction is currently anticipated to begin in 2028.
