|------------------|--|
| <b>Work Type</b> | Resurfacing  |
| <b>Phase</b>     | Design   |
| <b>Limits</b>    | I-75 from north of S.R. 52 to Hernando County Line |
| <b>City</b>      | Dade City  |
| <b>County</b>    | Pasco  |
| <b>Road</b>      | I-75   |

### About

The purpose of this project is to preserve and extend the life of the existing pavement through milling and resurfacing on I-75 from north of S.R. 52 to the Hernando County line.

The interchange at County Road (C.R.) 41 will also be resurfaced, including the ramps and the northwest and southeast access roads.

Other improvements include signing and pavement markings, signalization, and minor drainage upgrades.

Construction is currently anticipated to begin March 2028.
