I-275 Repaving at the Southbound Skyway Toll Plaza 456549-1-52

Project Details	
Work Type	Repaving
Phase	Construction
Limits	at the Southbound Skyway Toll Plaza
Project Start	November 2, 2026
Length	1 mile
Road	I-275
Construction Cost	$655,000
Estimated Completion	Early 2027
Contractor	Pigott Asphalt and Sitework LLC

About

This project will repave I-275 through the southbound Skyway toll plaza in Pinellas County.

Lane closures and traffic shifts can be expected as crews pave all lanes and the shoulder areas through the toll plaza. Be sure to subscribe to receive construction notifications via email.

Once final configuration is in place, traffic will continue to move through the toll plaza. The two inside lanes will accommodate most vehicles, while the outside lane will be designated for wide-load vehicles. The speed limit through the plaza will remain at 25 mph.
