About

The Florida Department of Transportation's Design-Build firm, Cone & Graham, Inc., is making Pedestrian Safety Improvements to SR 574 (W. Martin Luther King Jr.) at Buccaneer Place in Hillsborough County.

Safety improvements include installation of sidewalk, curb ramps and roadway lighting improvements.

What is design-build? *Design-build is a method of project delivery in which one entity - the design-build team - works under a single contract with the FDOT (or any owner) to fully design and construct a project. **The contract work covers from initial design through construction completion.** This contract type typically allows for faster construction of a project as design and construction can be on-going simultaneously.*
