About

The Florida Department of Transportation's Design-Build firm, Cone & Graham, Inc., is making Pedestrian Safety Improvements to SR 574 (W. Martin Luther King Jr.) at Buccaneer Place in Hillsborough County.

Safety improvements include installation of sidewalk, curb ramps and roadway lighting improvements.

****

What is design-build? *Design-build is a method of project delivery in which one entity - the design-build team - works under a single contract with the FDOT (or any owner) to fully design and construct a project.* ***The contract work covers from initial design through construction completion.*** *This contract type typically allows for faster construction of a project as design and construction can be on-going simultaneously.*
