About

The Florida Department of Transportation's Design-Build Firm, Cone & Graham, Inc., is making roadway improvements to US 41 (S Tamiami Trail) from Old US 41-A to Bloomingdale Avenue in Hillsborough County.

Elements of work shall include but are not limited to roadway milling and resurfacing with a high surface friction treatment.
These improvements will protect against skidding and provide a safe travel path for vehicles.

Construction activities are expected to be complete in summer of 2027.

****

What is design-build? *Design-build is a method of project delivery in which one entity - the design-build team - works under a single contract with the FDOT (or any owner) to fully design and construct a project.* ***The contract work covers from initial design through construction completion.*** *This contract type typically allows for faster construction of a project as design and construction can be on-going simultaneously.*
