<b>City</b>	Sun City Center Wimauma
<b>County</b>	Hillsborough
<b>Road</b>	US 301
<b>Construction Cost</b>	\$50.8 million
<b>Estimated Completion</b>	Late 2021
<b>Contractor</b>	Watson Civil Construction, Inc.

### About

***As of December 3, 2021, all construction activities associated with this widening project have been completed.***

The project involves widening approximately four miles of US 301 between SR 674 (Sun City Center Boulevard) and Balm Road in Hillsborough County.

The improvements include widening the roadway to a six-lane divided road with raised medians and paved shoulders, adding a five-foot sidewalk to the west side and a twelve-foot multi-use path to the east side of the roadway and building new stormwater drainage ponds.

The project is expected to finish in late 2021.
