| About |
|--|
| <i>As of February 18, 2022, all construction activities associated with this project are now complete.</i> |
| This project rebuilt and extended the length of the SR 60 entrance ramps onto northbound I-75 and modified the southbound I-75 exit ramp to the Selmon Expressway (Exit 256) to improve safety and traffic flow on I-75. |
| Other improvements to major interchanges included: |
