About

THIS PROJECT WAS FINAL ACCEPTED ON MARCH 24, 2020.

Improvements include adding sidewalks to both sides of US 41 (50th Street) from Denver Street to South 30th Avenue in Hillsborough County.

Construction activities will occur during daytime and nighttime hours.

Motorists are advised to use caution while traveling through the work zone and allow for extra travel time as delays are likely.

Completion is anticipated in early 2020.

This project has been combined with the repaving of US 41 (50th street) between Bullfrog Creek and Denver Street (Project Number 434848-1-52-01) which is expected to finish in late 2019.
