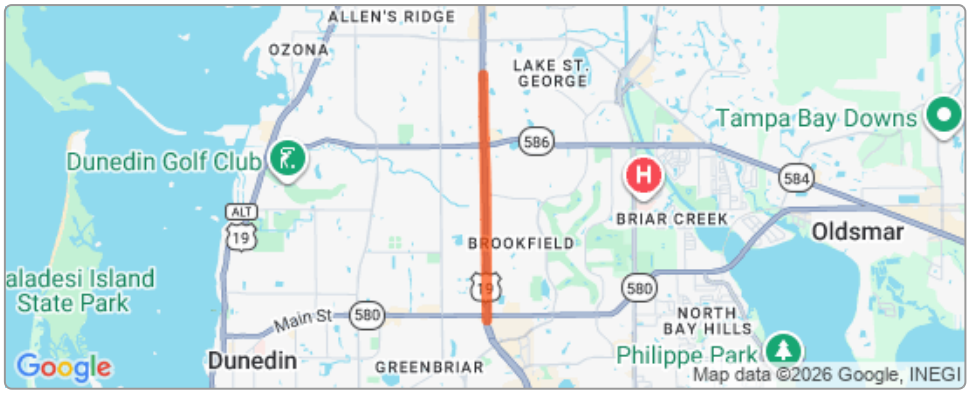
US 19 New Interchanges and Roadway Improvements from SR 580 to the north of CR 95

256774-3-52-01

Project Details	
Work Type	New Interchanges
Phase	Construction
Limits	From SR 580 to the north of CR 95
Project Start	Spring 2023
City	Clearwater Dunedin Palm Harbor
County	Pinellas
Road	Curlew Road SR 580 SR 586 US 19
Construction Cost	$242.7 million
Estimated Completion	2030
Contractor	Johnson Bros. Corporation, A Southland Company



About

The interchange and roadway improvement project is modifying the existing six-lane divided highway to a six-lane controlled access roadway with one-way frontage roads in both directions parallel to US 19 from SR 580 (Main Street) to the north of CR 95/CR 39 in Pinellas County.

In addition, new interchanges will be added just north of Boy Scout Road and at SR 586 (Curlew Road) to improve traffic flow along this corridor.

A pedestrian underpass will be added between Evans Road and Republic Drive and a pedestrian bridge over US 19 is being constructed at Northside Drive.

Construction is estimated to finish in 2030.
