

## I-75 Intelligent Transportation System from Big Bend Road to Progress Boulevard

434027-1-52-01

Project Details	
<b>Work Type</b>	Intelligent Transportation System
<b>Phase</b>	Completed
<b>Limits</b>	From south of Big Bend Road to south of Progress Boulevard
<b>Project Start</b>	April 2019
<b>City</b>	Gibsonton Riverview
<b>County</b>	Hillsborough
<b>Road</b>	I-75
<b>Construction Cost</b>	\$3,891,051
<b>Estimated Completion</b>	Fall 2020
<b>Contractor</b>	TransCore ITS, LLC

### About

#### **COMPLETION DATE: 10/31/20**

This \$3.9 million design-build project will install an Intelligent Transportation System components along I-75 from south of Big Bend Road to south of Progress Boulevard including nine miles of fiber optic cable, eleven closed-circuit television cameras, and eleven Microwave Vehicle Detection units in Hillsborough County.

An Intelligent Transportation System, or ITS, uses a variety of devices including electronic roadway signs, (called dynamic message signs) and closed-circuit television cameras to monitor roadway congestion, lane closures, and current weather or emergency conditions and advise motorists of travel times.

Construction is anticipated to finish fall of 2020.
