

SR 597 (Dale Mabry Highway) Intelligent Transportation System from Lambright Street to Van Dyke Road 438450-1-52-01

Project Details	
Work Type	Intelligent Transportation System
Phase	Completed
Limits	From Lambright Street to Van Dyke Road
Project Start	March 2018
Length	8 miles
City	Tampa
County	Hillsborough
Road	Dale Mabry Hwy
Estimated Completion	Fall of 2019
Contractor	Florida Safety Contractors, Inc.

About

FINAL ACCEPTED ON TUESDAY, SEPTEMBER 24, 2019

This design-build project includes installing approximately eight miles of conduit and fiber optic cable and adds eleven closed-circuit television cameras that will connect to the existing Hillsborough County Advanced Transportation Management System.

These upgrades will allow traffic engineers to monitor traffic and adjust signals to enhance efficiency.

The design-build project is anticipated to finish in the fall of 2019.
