About

This project will reconstruct CR 578 (County Line Road) from east of Mariner Boulevard to west of the Suncoast Parkway from a two-lane road to a four-lane divided roadway along the border of Pasco and Hernando counties. A new sidewalk will be built on the north side and a shared-use path will be built on the south side of the road.

Right of way acquisition will be required for the roadway and drainage ponds.

The project is currently in design. Construction is not funded at this time.
