About

Project was final accepted on June 4, 2018

This project is designed to make various repairs to the Sunshine Skyway, Bunces Pass, and Dick Misener bridges and to help identify future maintenance needs of these bridges.

On the *Sunshine Skyway Bridge*, the contractor is doing the following work: applying a deck sealer, making minor concrete repairs and applying corrosion protection to bridge columns.

At *Bunces Pass*, the contractor is doing minor miscellaneous repairs.

At the *Dick Misener Bridge*, concrete grinding/asphalt milling and resurfacing will take place on the approaches to the bridge, along with minor miscellaneous repairs.
