About

THIS PROJECT WAS ACCEPTED ON MARCH 25, 2020

This design-build project is making safety improvements that include the installation of a High-Intensity Activated Crosswalk (HAWK) in the median with pedestrian-actuated lighting at three locations along SR 694 (Park Boulevard) at 64/63rd Street, 60th Way/Street and 56/55th Way in Pinellas County.

Motorists should expect intermittent daytime and nighttime lane closures.

This project is expected to finish in early 2020.
