About

All construction activities associated with this project were completed on Monday, October 16, 2023.

This drainage improvement project was constructed to relieve roadway flooding along Dale Mabry Highway (US 92) between Henderson Boulevard and Neptune Street in South Tampa.

Please note: This project was built in collaboration with the City of Tampa's Upper Peninsula Watershed Drainage Improvements. For more information on the City's project, please visit http://tampastormwater.com/fact-sheet/
