

SR 56/54 Arterial Traffic Management and Highway Lighting 441320-1-52-01

Project Details	
<b>Work Type</b>	Arterial Traffic Management and New Highway Lighting
<b>Phase</b>	Design
<b>Limits</b>	from Gunn Highway to Meadow Pointe Blvd
<b>City</b>	Odessa Wesley Chapel
<b>County</b>	Pasco
<b>Road</b>	SR 54 SR 56

**About**

This project will add traffic signal controller upgrades along the SR 54/56 corridor including cameras, fiber optics, and other detection components between Gunn Highway in Odessa and Bruce B Downs Blvd. in Wesley Chapel.

New highway lighting will also be added along both sides of SR 56 between Willow Oak Drive and Meadow Pointe Blvd in Wesley Chapel.

Construction is anticipated to begin in late 2022.
