About

This design-build project will repave US 301 between Lake St. Charles Boulevard and Progress Boulevard/Bloomingdale Avenue and widen the northbound on-ramp from US 301 to I-75 and make additional improvements to the existing ramp.

US 301 intersection improvements include removing and replacing the asphalt pavement at Progress Boulevard/ Bloomindale Avenue with a durable concrete surface and adding a sidewalk along the east side of US 301.

Construction activities are to begin in early 2022 and finish in early 2023.

This project has been combined with 427454-3 into a single construction contract. All updates will appear on this page.
